Our goal is to provide the best dog for a family, and the best family for our dogs. To help us make great matches we ask our prospective puppy owners to fill out this form, sign it, and send it back. All puppies from Runamuck Ranch will have been exposed to a wide variety of social experiences. Training is not finished when they travel to join their new families, it is just beginning. Please consider if you have the time available to undertake the responsibility of ensuring your pup will have carefully orchestrated social exposures during the following year prior to applying.
